## METHODS AND APPROACHES

CLOE SEMINAR SERIES #6  
24<sup>th</sup> Nov 2023, 14:30-17:00  
Genova, Via Balbi 5

## CALL FOR QUESTIONS

In the frame of the European CLOE project, this seminar aims to open the discussion on the methods and approaches that can be developed during research on rural territories.

This seminar will be organized as a discussion with the interviews and we are curious to know the questions you might have about this subject from your field (sociology, archeology, architecture, etc.), methodology during field-phase, involvement of the stakeholders, the singularities of rural territories, etc.
